Cisco 8841 TSG Approved IP Phone

Key Features

- 5-inch high resolution widescreen VGA color display
- Supports a built-in 10/100/1000 Ethernet switch for PC connection
- Compatible with both IEEE 802.3af and 802.3at switch blades
- Supports 10 line appearances through Enhanced Line Mode feature

Additional Features

- The speakerphone function is enabled in DTD-8841-01 and DTD-8841-02 and protected with the TSG on-hook security. It can be administratively disabled via the Unified Communications Manager.
- The headset port is enabled and protected with the TSG on-hook security. Any 8841 compatible wired headset can be used. Wireless headsets are not approved for use.

The Cisco 8841 phone supports Session Initiation Protocol (SIP) for signaling, Session Description Protocol (SDP), and IPv4 and IPv6. The phone is optimized for use with Cisco Unified Communications Manager. This Cisco 8841 phone is a modified version that connects to your network like any other 8841 phone. The difference is the addition of Positive Disconnect On-Hook Security. Approved for use in SCIF and SAPF environments, the phone also allows the on-hook security features to be engaged while in a call providing enhanced “Hold” and “Mute” security. Speakerphone functionality in DTD-8841-01 and DTD-8841-02 is enabled on the device and is protected with the on-hook security of the positive disconnect electronics, but can be administratively disabled in the Unified Communications Manager.

The TSG on-hook security can be manually disengaged after an off-hook condition is established (Manual mode) or triggered automatically via the handset hook switch (Auto mode). The mode is set at the factory and must be specified at time of order. The security re-engages automatically once any on-hook status is established.

### Power

- Includes power injector required for Class A deployment (DTD-V0IP-PI-02)
- Input 100-240 VAC, 50-60Hz
- Output 48 VDC, 0.3 amps

### Handset and Headset

- Wideband handset
- Headset port
- Optional Push to Talk handset
- Optional Push to Mute handset

### Speakerphone

- Full-duplex speakerphone (DTD-8841-02 only)
- 2-port Ethernet switch (connects phone and PC over a single line)
  - LAN Port 10/100/1000Mb RJ45
  - PC Port 10/100/1000Mb RJ45

### LAN and PC Ports

- 10 line keys, soft keys, back and release keys, four-way navigation and select keys, hold/resume, transfer, conference, messaging, application, directory, standard keypad, volume-control toggle, speakerphone, headset, mute

### Keys

#### Dimensions (H x W x D)

- 7.0" x 10.125" x 7.25"

### Weight

- 3.65 lbs.

### Temperatures

- Operating: 32 to 104°F (0 to 40°C)
- Non-operating: 14 to 60°C (-10 to 140°F)

### Humidity

- Operating: 10 to 90%, noncondensing
- Non-operating: 10 to 95%, noncondensing

### Cisco Unified Communications Manager

- 8.5.1, 8.6.2, 9.1.2, 10.5.2, 11.0 and later

### Backlit Indicators

- Line keys, select key, message waiting, audio path keys (handset, headset, and speakerphone)

### Security Features

- Secure boot, secure credential storage, device authentication, configuration file authentication and encryption, image authentication, random bit generation, hardware cryptographic acceleration, Certificate Authority Proxy Function (CAPF), Manufacturer-Installed Certificates (MIC), Locally Significant Certificates (LSC), Ethernet 802.1x supplicant options: Extensible Authentication Protocol-Flexible Authentication via Secure Tunneling (EAP-FAST) and Extensible Authentication Protocol-Transport Layer Security (EAP-TLS), signaling authentication and encryption using TLS, media authentication and encryption using SRTP, HTTPS for client and server, Secure Shell (SSH) Protocol server, SSL-based VPN client

### Licensing

- The Cisco 8841 requires an Enhanced User Connect License (UCL) in order to connect to the Cisco Unified Communications Manager. Sold separately.

### Warranty

- Standard 1 year parts and labor
- Optional 3 year parts and labor

### Options

- Push to Talk handset
  - DTD-88XX-PTT
  - Available
- Push to Mute handset
  - DTD-88XX-PTM
  - Available
- Local power supply
  - DTD-TPES61
  - Does not apply
